

The Employee Trust Fund Board was established for all public sector employees who are not entitled to the Govt. Pension Scheme and all private sector employees. The Fund held LKR 339 Billion by end of December 2019 whilst serving to about 2.6 Million active members on behalf of whom about 79,000 Employers contribute to the Fund.

CHALLENGE

Outdated end-of-life legacy technologies that created inefficiency and security issues that hindered overall operations and customer service

SOLUTION

Fully integrated fund management web based platform enabling all stakeholders to connect securely real time and process customer payments on time

RESULT

Over 14 Million Public Users/Members
1000+ Internal users
Employer Contribution Collection from +80,000 employers
High Available system to minimize the Downtime
Integration with other internal systems such as:
NIC System, EPF, Credit Card, Company Registrar, Examination Department

CORE TECHNOLOGY USED:
